

Outer Banks Wedding Party Activities

Let us help remind you and your guests why you chose to get married on the Outer Banks in the first place. Explore the magical natural beauty of the barrier islands by kayak, sneak in an exciting surf, SUP or yoga workout before the big day, or let us put together a guided kayak fishing trip. We can customize a private trip that suits your hectic wedding week schedule.

Kayaking: The Outer Banks is a kayaker's paradise. With over 10 different locations, we have a kayak tour near your wedding location. Come unwind and chill out on the water for a few hours.

Surfing: It's no secret that the Outer Banks has some of the best surf on the East Coast of the United States. But did you know it is also one of the best places to learn how to surf? Our local knowledge of the best beginner waves on the Outer Banks will have your crew safely surfing in no time.

Stand Up Paddleboarding: Our experienced crew can teach your crew how to stand up paddleboard on the Outer Banks. Guided tours are offered from Corolla to Hatteras Island all over the Outer Banks.

Yoga and Stand Up Paddleboard Yoga: We can arrange for private yoga or stand up paddleboard yoga classes for you and your wedding party. Refocus and re-center before the big day, get in a great workout and look your best for the big day.

Bear & Wildlife Tours: We now offer guided nature tours throughout one of the most impressive wildlife corridors on the East Coast: the Alligator River National Wildlife Refuge. We will look for black bear, owls, hawks, turkeys, deer, alligators, reptiles and other animals from the comfort of our van. All trips include ecological talks about the wildlife and environment.

Equipment Leasing: Want to outfit your crew and beach house with top notch equipment for all to use? We can provide your group the gear you need. We have a bottomless supply of kayaks, stand up paddleboards, surf boards, wetsuits, skim boards, boogie boards, beach cruisers and more. Free and fast delivery all over the OBX.

Van Rentals: Need help shuttling your crew around the Outer Banks for the big day? We have 12 and 15 passenger vans on call to help get your crew where they need to go. Contact us if we can help with the logistics of your wedding party.
